TOURNAMENT COORDINATION

Our professional staff relies on years of experience to help you generate ideas for your event. Some of our specialties include assisting with recruitment of players, setting up the golf course to make it more enjoyable, and organizing special events to make your outing more exciting.

FUNDRAISING

Our professional staff has plenty of experience on how to raise money for your event. Securing tournament and hole sponsors of all levels, different on-course events that can help raise money, and planning a silent auction are just a few examples of how we can help you achieve a successful event.

THE DAY OF YOUR EVENT

SET UP OF YOUR EVENT

Our professional staff will handle the set up of your event in all areas. From the bag drop and registration area to the golf course itself, every detail will be taken care of. We will place all sponsorship signs and banners on the course, including longest drive and closest to the pin markers, in addition to and any other special on-course needs you may have planned.

BAG HANDLING

Our friendly staff at the bag drop area will greet your guests and remove their clubs from their vehicles.

A special bag tag will be applied and their bag will be placed on the appropriate cart for play. Our staff will then instruct them where to find the registration area.

DRIVING RANGE

All participants will have unlimited use of the practice facilities prior to the event. Range balls will be placed on the range to eliminate hassling with tokens or buckets.

GPS UNITS

Each cart is equipped with a full color, state of the art GPS unit. These units not only let your participants know yardages but will also allow them to order food and beverage from anywhere on the course and we will deliver it to them. There will also be a running scoreboard on the screen so your participants can see how they are doing compared to the rest of the field.

SCORING OF EVENT

Your event will be scored immediately following play by our staff. This activity always attracts a crowd of excitement as each score is recorded. For your convenience personalized score sheets are available to you at an additional cost.

CART SIGNS

Each cart will be clearly marked with the participant's name and starting hole or tee time assignment.

This organization of carts makes for a smooth start!
